

RX #: 77777

Target Qty: 50

Time: 12:47:15 PM

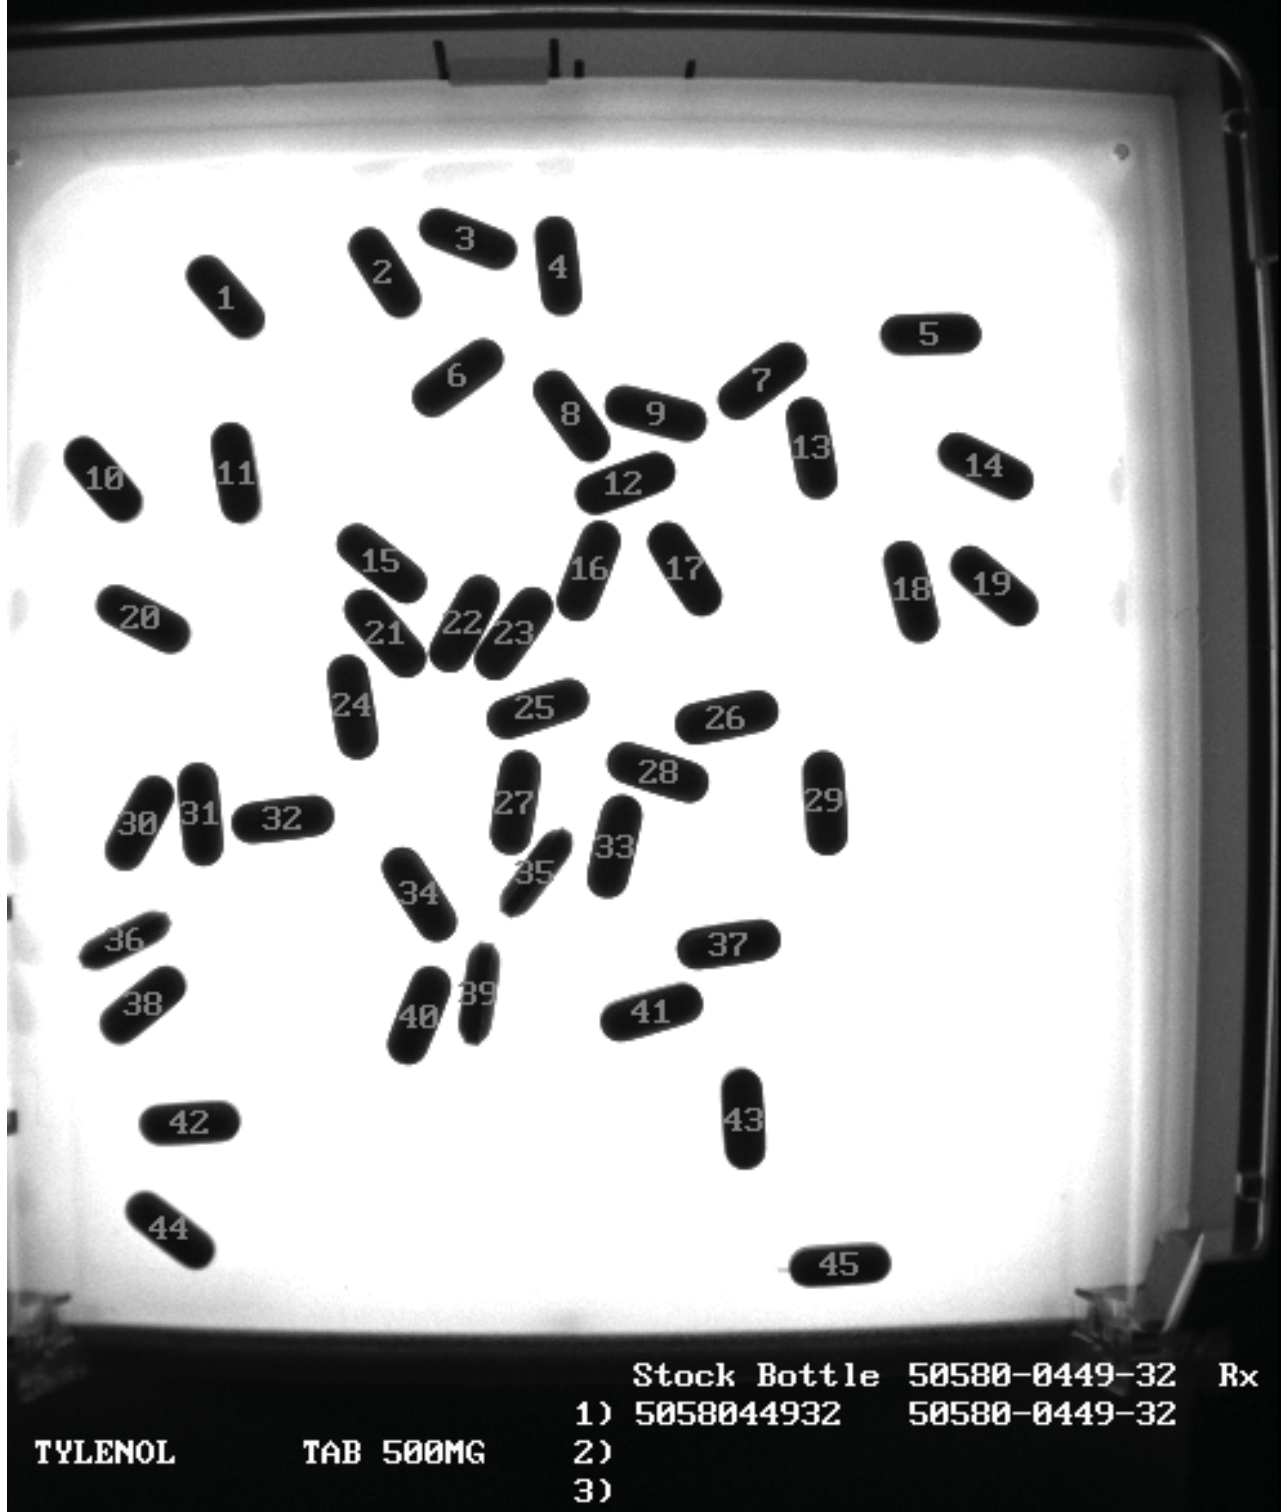

Status: Partial

Dispensed Qty: 45

Date: 6/17/2011

Tray Qty: 45

User: DLANG

The EyeCon counts pills in a static mode vs. in motion, which eliminates frequent miscounts you might experience when using other counting devices on the market.

It also takes a picture of each script.
