

NEW PRODUCT

SAVE TIME!

The **PATCH** allows you to easily correct single cavities with a missed pill.

It works with most manufacturers' Heat Seal or Cold Seal 30 or 31 ct. cards, including Rx Systems M-Series, Uni-Series and OP-Series, plus our Cold Seal cards.

Pill Card PATCH

Item # **P280**

50 sheets of 14 patches/pkg

\$30/pkg

The 2-across design allows for more Cold Seal adhesive to be exposed for a better seal.

Simply press the PATCH over the desired cell and allow the adhesive to set!
